Dear Fellow Citizens of Heaven,

Finally, I get to write a few words to all of you who do not look at the crumbling world around us, but are looking at the reality of heaven, where we are seated in Christ Jesus our Lord.

The two months I spent in Kenya, Africa, was very fruitful to say the least. The Lord demonstrated His resurrection power by healing a crippled girl, demolishing the strongholds of principalities and powers, bringing the good news of the Kingdom to the captives and healing many broken hearts. At the end of two months I saw the Lord build a Bible School in a remote area in Northwest Kenya, in a remote village with the Pokot Tribe. The gospel had never been preached there and a white man had never been there before. Brother Mike Simiu, son of Pastor Christopher Simiu was my interpreter and constant companion and helper while I was there. He is still carrying on the work we started together. His father is also involved with the on-going work in the Pokot village. We praise God for raising up local brothers to take over the work. Please pray for them and for the finances we send monthly to keep this ministry functioning. We feed up to 300 people (mostly children) that come to the school to learn the Bible in Swahili.

Also, Brother Christopher Simiu started a training school to teach local Christian leaders how to not be afraid to take the gospel of the Kingdom of Jesus Christ to the last tribes who are still waiting for this blessed news. We are also sending financial help to him and his family, for the Missionary School and because they have taken in eight orphans to provide for besides their own family. The orphans' parents were murdered by Muslims for being Christians; locked in their church and burned. Pray for all Christians in Kenya. Even though Kenya is a Christian nation, the Muslims still persecute them in horrible ways and there is much starvation.

Many miracles happened while I was in Africa. God always confirms His calling with signs following, such as these miracles. It is so that these people can see and learn that Jesus is real and is alive today and want to receive Him as Lord. The best miracle of all is seeing a person pass from darkness to light as they come to know Jesus as Savior and Lord. And many did come to know Jesus and still are receiving Christ as the work goes on. There is so much to share and not enough space tell everything, so I'll move on.

I hope to see many of you in person in the months to come, as I will be traveling around the States. The Lord has put all of you on my heart and the burdens you are bearing; so don't be surprised if you see me standing at your front door. Then I will give you a first hand account of every thing that happened in Africa. I need your fellowship as much as you need mine and as you already know, true and real fellowship is getting harder and harder to find.

The Good News Camp is going full bore twenty-four-seven. We rarely have any time between when some graduate and the next ones arrive. Vaughn, and Irene, and Scott and Valene, are doing their best to keep up with the huge demand of believers and unbelievers who desire to come to the camp for various reasons. They are tired of being intoxicated with the cares of this world or anything else that controls their life, besides the Holy Spirit of the Living God. Check

out “[www.thegoodnewscamp.org](http://www.thegoodnewscamp.org)” that Vaughn recently put on the Internet. There you will find the application for coming to the camp. We encourage those of you who would like to come to get your application in as soon as possible and get in line, as there is a waiting list. Fill out the application, download it and mail it to us at the address at the top of this letter. We look forward to seeing you at the camp.

We want to thank all of you who pray for us and all the outreach ministries of Goff Ministries, and certainly for your blessed financial gifts. May God return the blessing back to you in whatever way you need it. We always lift you to the Lord to care for you and meet your needs too, just as you pray for us. We especially want to thank the Hilario family and the Bond family for their generosity and physical labor, in supplying the storm shelter. We have already made much use of it. One week we were in it three different times because of high wind storms, that did do damage to the camp, but we were able to be safe, thanks to you. God bless you so much!!

Finally Brother’s and Sister’s what does Jesus Christ, want to do with your life today? This must be the most important desire of your heart. I mean everyday, everywhere, all the time, and when you know it, DO IT! It’s high time for all of us to deny what others want us to do with our lives, and that includes ourselves most of all. Let us always remember that the most popular false god is the god of SELF! So let us deny ourselves and follow Jesus! If we put Him and His Kingdom first, He will meet all our needs. He will never leave us nor forsake us and has not left us as orphans, He sent the Holy Spirit to lead and guide us! Praise His Name!

We send you our heartfelt love and prayers. May God richly bless you each and every one!

Serving the Lord with all our strength,

The Goff Family
